OUR MISSION

At Homes 4 the Homeless, we provide dignified housing solutions to support individuals and families in times of crisis. Through innovation and compassion, we aim to restore hope and stability.

KEY FEATURES

- 200 sq. ft. of living space.
- Galley kitchen, full bathroom, and sleeping area.
- Built for extreme weather resilience.

WHY THE E3?

The E3 is portable, durable, and a rapidly deployable housing solution. Ideal for disaster zones, refugee camps, and transitional shelters, it brings stability to those in need.

FABS (FEATURES, ADVANTAGES, BENEFITS)

Compact 200 sq. ft. unit with a galley kitchen, full bathroom, and sleeping area.

Built for extreme weather conditions, including hurricanes, floods, and heatwaves.

Rapid deployment design for urgent housing needs.

Scalable solution: Transported efficiently with up to 50 units per shipment.

PARTNER WITH US TO PROVIDE HOPE AND HOUSING FOR THOSE IN NEED
